

KARREBÆKSMINDE

— great starting point for unique experiences

Karrebæksminde

Karrebæksminde is an authentic Danish fishing village and holiday destination with an original Danish maritime atmosphere. This is the place for people who enjoy life and appreciate a good sandy beach with the Blue Flag ensuring excellent water quality. The surrounding nature with the inlet delta and the beautiful islands with Gavnø Castle and its Castle Brewery are popular attractions for bon vivants. The new quay has a water depth of 7.0 metres. Easy transport is available to and from the quay by bus. If you choose to walk, you are already in the midst of the idyllic fishing village. The quay is ISPS approved and has water and sewage facilities.

Waterfront sightseeing

From Karrebæksminde you can sail with the boat Friheden to both Gavnø and Næstved where the Kähler company with its exhibition and sale of Kähler products is a very popular excursion spot for the more mature audience.
